# UP RERA: Helping the Buyers and Transforming Real Estate Sector

The first annual report of UP RERA provides an overview of the Authority's journey, highlights its key achievements and reflects on the major milestones till now. Divided into three parts, this report provides the background to its inception, action by the Central and State Governments in its formation, the role of the interim regulator and the contributions of the permanent authority since assuming office on 9<sup>th</sup> August, 2018.

## Background: (2015-2016)

### Role of the Central and the State Governments

The real estate sector had come under tremendous pressure during the years 2015 and 2016. Large number of the real estate projects had come to a halt with little or no progress on the ground; the home-buyers, who had invested their life-time saving, had limited recourse to a rapid resolution of their problems; the developers were non-responsive; and the development authorities faced serious constraints in regulating them. The need of the hour was for transparency, discipline and the timely delivery of projects, which was too important to be neglected any further. Therefore, the Government of India resolved to establish a regulatory authority in all the states and the union territories across the country to help the consumers, bring about financial discipline and transparency and to develop and transform the real estate sector.

The Real Estate (Regulation and Development) Act, 2016, widely acknowledged as one of three most important reforms undertaken by the present Government, was enacted on March 25, 2016. Subsequently, by notifications, the Government appointed first day of May 2016 as the effective date for sections 2, 20 to 39, 41 to 58, 71 to 78 and 81 to 92 and appointed first day of May 2017 for coming into force of sections 3 to 19, 40, 59 to 70 and 79 to 80.

The State Governments were further empowered to designate an officer, preferably Secretary to the Government, dealing with the housing sector, as interim regulatory authority till the establishment of the permanent authority and to designate any appellate tribunal working in the state as interim appellate tribunal till the establishment of the permanent appellate tribunal. Uttar Pradesh was one of the first states to promulgate the Rules on October 27, 2016 and also to issue orders to establish the regulatory authority.

RERA was a priority for the new government under the Hon'ble Chief Minister, Yogi Adityanath. Orders were issued on 3<sup>rd</sup>

Yogi Adityanath, Hon'ble Chief Minister of Uttar Pradesh launching website of UP RERA on 26.06.2017 at Lucknow

May, 2017, designating the Additional Chief Secretary, Housing and Urban Planning Department as interim regulatory authority.

In order to address one of the major concerns of the home-buyers, that the promoters either did not execute any agreement for sale or even when executed were done on unequal terms, the State Government notified the Rules on model "Agreement for Sale" on 17<sup>th</sup> October, 2018. These Rules were drafted after extensive consultation with all the stakeholders and provide that no promoter can accept more than 10 percent of the unit cost from a buyer without first entering into a registered agreement for sale in the format notified by the State Government.

The Government on 24<sup>th</sup> January, 2018, also designated the State Transport Appellate Tribunal to hear appeals from the orders of the Authority till the permanent Tribunal under the Act was established.

The establishment of the Permanent Authority took place on 4<sup>th</sup> August, 2018, with the appointment of Shri Rajive Kumar (IAS 1981) as Chairman and Srimati Kalpana Mishra (HJS), Shri Balvinder Kumar (IAS 1981), (former Secretary to the GOI) and Shri Bhanu Pratap Singh (IPS 1985) (former DG-UP) as members.

For the convenience of the consumers and in order to facilitate a quick resolution of the complaints pertaining to a high volume of projects and complaints in NCR, the Government, on the recommendations of the Authority, has established a regional bench of RERA at Greater NOIDA, in district Gautam Buddha Nagar.

The Appellate Tribunal was formally notified by the Government, on 22<sup>nd</sup> September, 2018, with the appointment of Justice Tarun Agrawal as Chairman and Shri Tej Bahadur Singh (HJS), Shri Rajiv Mishra (IRSME) and Shri Kamal Kant Jain (CA) as members. Justice Tarun Agrawal did not assume the charge of the office since he was subsequently appointed chairman of the Securities Appellate Tribunal, the members assumed charge on 24<sup>th</sup> September, 2018. The Government on 30<sup>th</sup> March, 2019, authorized the judicial member Shri T B Singh to Chair the proceedings of the Tribunal. The Government vide its order dated 20<sup>th</sup> July, 2019 appointed Justice Devendra Kumar Arora as Chairman of the Tribunal, who assumed charge on 22<sup>nd</sup> July, 2019.

The Authority, on 2<sup>nd</sup> April, 2019, in consultation with the Government, appointed Shri Piyush Srivastava (HJS) as Adjudicating Officer at Lucknow and Shri Chaitanya Kulshrestha (HJS) at Greater NOIDA for adjudication of compensation as provided in the Act.

This completes all the institutional arrangements by the Government.

## UP RERA: Activities under the Interim Regulator

A web-based system for registration of projects and real estate agents was created in record time of 45 days. During this period, extensive advocacy programs were conducted across the state to familiarize the stake holders with the provisions of the Act and their rights and obligations.

 @UPRERAofficial

With the launch of UP RERA website by the Hon'ble Chief Minister, Yogi Adityanath, at a public function on 26<sup>th</sup> July, 2017 online registration of projects, real estate agents and the complaints was initiated.

Over a thousand complaints were registered on the web-portal within a short period of time. Invoking the powers under section 81 of the Act, the Authority delegated the powers to hear and decide the complaints to some of the senior officers working in the Housing department effective from November 2017.

The disposal of the complaints at various locations in the State was through a web-based management system - a first in the country.

Based on the feedback and requirement of the stakeholders, the Authority vide its order dated 7<sup>th</sup> May, 2018 laid down the procedure for editing the project details on its website, filing of Quarterly Progress Report (QPR), uploading of the certificates issued by the Chartered Accountant, Architect and the Structural Engineer, change in bank details, etc.
