

NOTES:
 • All Dimensions Are In MM
 • The contractor shall verify all dimensions, details, specifications & site conditions & shall report any error, omission and/or anomaly to the architect before commencement of work.
 • For construction purposes, the dimensions shall not be measured directly on the drawings. The drawings shall not be used for construction until they are issued for construction.
 • This drawing is the property of the architect and it should not be copied and reproduced for any other purpose for which was issued, without the prior permission of the architect.
