14. That the Second Party confirms that he/she/it has personally inspected the entire said Residential Flat, satisfied himself/herself/itself about the quality, specifications and extent of construction, carpet area, facilities, amenities and design of the Residential Flat and has understood all building plans of constructions, title documents of the Said Land/Project Land, deemed completion certificate of the said Project, the rights of the First Party to own/possess the Said Land/Project Land, execute this Deed and all other documents relating to the title, competency and all other relevant details of the said Residential Flat along with the Said

Land/Project Land including legal completion of the Project and the Second Party is fully satisfied.

15. That the First Party along with the Confirming Party has handed over actual vacant peaceful and physical possession of the said Residential Flat along with proportionate share in the underlying Project Land to the Second Party on execution of this Deed. The Second Party has duly taken possession of the said Residential Flat from the First Party without any demur or protest.
16. That save and except the said Residential Flat hereby conveyed to by the Second Party, the Second Party shall have no right, title, interest or claim of any nature or kind whatsoever in the Project, except the undivided and proportionate interest in the Common Areas and facilities of the said Project.
17. The Second Party shall not encroach or obstruct or keep any of his/her/its/their items in the stairs, corridors, lobby, entrance or other common areas of the tower in which the Said Residential Flat is located, in any manner whatsoever. The Second Party shall not in any manner whatsoever encroach upon any of the Common Areas, limited use areas and shall also have no right to use the facilities and services not specifically permitted to use. The Second Party shall be liable for all legal actions and consequences arising out of all encroachments or unauthorized temporary/permanent constructions carried out by him in the Residential Flat or on open/covered parking space(s) or on any Common Areas within the Project and shall be liable to be removed at his/her /their cost.
18. The Second Party shall not cover or construct any structure in the balcony area of the Said Residential Flat. Upon breach of this condition by the Second Party, the Second Party shall be solely liable and responsible to face the adverse actions of the statutory authorities or by First Party.
19. That the Second Party has duly inspected the said Residential Flat and is satisfied with the quality of building materials, fittings and fixtures of the said Residential Flat. Except as

permitted under the applicable laws, the Second Party shall have no claim against the First Party in respect of any item of work, fittings and fixtures in the said Residential Flat which may be alleged not to have been carried out or completed or for any design, specifications, building materials used or for any other reason whatsoever. The Second Party is entitled to the use and occupation of the said Residential Flat without any interference but subject to the terms and conditions, stipulations and restrictions contained in this the Allotment Letter, Agreement for Sale, and this Deed.

20. That the Second Party undertakes to abide by all laws, rules & regulations and terms & conditions if any imposed by GNIDA, and / or of the local bodies and any other act as applicable from time to time on the Project in general and on the said Commercial in particular and shall be liable for any defaults or breaches of any of such conditions, rules or regulations.
21. That the Second Party shall from the date of possession maintain the said Residential Flat at his / her / its own cost in a good and tenable condition, and repair and maintain the same properly. The Second Party shall also keep the internal and external areas of the said Residential Flat in a neat, clean and tidy condition. The Second Party shall keep the Residential Flat properly repaired and in good condition and shall not do anything which may endanger or affect the other portions of the Project or hinder the proper and responsible use of such portion(s) by the First Party and owners of other flats. The Second Party shall maintain at his/her/their own costs the Residential Flat including walls and partitions, sewers, drains, pipes, attached lawns and attached terrace areas thereto in the same good condition, state and order in which it is delivered to him/her/them and in particular to prevent any seepage, leakage, flooding or damage to any other part of the Project, more particularly the flats adjoining and below it. The Second Party shall keep the First Party, and owners / occupiers of other flats in the Project indemnified, secured and harmless against all costs, damages and consequences arising out of any breach, defaults or non-compliance by the Second Party.
22. Under the terms of applicable laws, it is provided that in case the project is developed in phases its shall be the duty of the promoter to maintain those common areas of the project which are

not complete and handover the same to the association of flat owners once all the phases are completed. It is provided hereunder that the First Party is developing the larger group housing project in two phases (“**Larger Project**”) and the Project is the first phase of the Larger Project. The maintenance & management of the Larger Project shall be handed over to the association of flat owners only post the receipt of completion certificate of the entire Larger Project. The Second Party has agreed and undertaken to enter into and to execute a Maintenance of Common Services Agreement with the Nominated Maintenance Agency, which shall inter alia contain the provisions regarding the manner of payments and consequences of default/delay in making payment of maintenance charges. The Second Party has undertaken to deposit with the Maintenance Agency an Interest Free Maintenance Security (herein “**IFMS**”) and also pay Advance Maintenance Charges (AMC) towards recurring maintenance expenses, housekeeping, watch & ward charges & other expenses including administrative charges etc. The IFMS shall be refundable in terms of the arrangement mentioned in the Maintenance Agreement.
