This certificate is being issued on specific request of Gorakhpur Development Authority for UP RERA compliance. The certification is based on the information and records produced before us and is true to the best of our knowledge and belief.

This is to certify that Khorabar Medicity and township is a project where the contractor is to be allocated a certain percentage of land, as development of land cost. Hence, no direct payment to contractor in Medicity Project. However, this account is used for payment of other LIG/EWS (PRJ 800885) and MIG/MMIG scheme (PRJ 101175) under Khorabar Township project which are separately registered with RERA but this account is commonly used for all the transactions.
