2. The project is still ongoing. We have estimated the cost of the completion of the civil, MEP and allied works, of the building(s) of the project. Our estimated cost calculations are based on the drawings/plans made available to us for the project under reference by the Promoter, Developer and Consultants and the Schedule of items and quantity for the entire work as calculated by Quantity Surveyor appointed by the Promoter, and the fair assumption of the cost of material, labour and other inputs made by developer, and the site inspection carried out by us.
3. We estimate the Total Cost for completion of the project under reference as 1.25 cr approx. including cost of development of common facilities which are mentioned above
4. Percentage completion of construction work completed 91%.
